UGANDA : AML/CFT STRATEGY (APRIL, 2010).

Mission : To foster a sound anti-money laundering regime for Uganda

Uganda is committed to the fight against money laundering and the combating of the financing of terrorism. In this regard, Uganda is striving to put in place a robust anti-money laundering and the combating of the terrorist financing regime and institutional framework that will ensure that these crimes are controlled and prevented.

As a member of the ESAAMLG, Uganda has taken a number of steps to implement the 3 years Strategic Plan for the ESAAMLG. Below is a summary of Uganda’s progress in developing its National AML/CFT strategy.

In order to foster a sound and effective AML/CFT regime, Uganda has developed and put in place a National AML/CFT strategy.

The National AML/CFT strategy for Uganda has six (6) key strategic objectives, viz,

(1) Introduce and implement comprehensive AML/CFT legislation;
(2) Putting in place effective enforcement structures and resources;
(3) Effective regulation of the financial sector and other accountable institutions;
(4) Effective International Co-operation;
(5) Effective strategic management controls;
(6) Engagement with stakeholders

The broad tasks under each of these six (6) key strategic objectives are enumerated below:
